**Youth Conservation Corps** • Since 1984, Yellowstone’s summer Youth Conservation Corps (YCC) Program has recruited young people ages 15 to 18 from all social, economic, ethnic, and racial backgrounds. Corps members work together under adult leadership to learn about environmental and conservation issues while completing projects such as trail rehabilitation and campground restoration. Young people develop job and leadership skills and explore opportunities for future NPS careers. Corps members also enjoy hiking, rafting, and field trips.
